## **ADDITIONAL INFORMATION**

- **The Resort**

**Location:** The Dreams Cancun Resort & Spa - All Inclusive is located in Cancun, Mexico, sheltered by a pastoral bay. Offshore ocean breezes cool the tip Punta Cancun. This resort is 400 meters away from the Cancun Convention Center. Plaza Forum is located 600 meters from the property. Guests can walk 500 meters to the dock where a ferry departs for beautiful Isla Mujeres.

**Hotel Features:** A 1,100-square-meter spa reveals a walled garden containing a 16-person spa tub bordered by plunge pools. Massage and health treatments, and beauty salon services complement a fitness center where guests may choose between cardiovascular and weight-training equipment, and free weights. Swimming options include an outdoor pool adjacent to a saltwater lagoon and a freeform pool located near the beach. Other recreational facilities include a bungee-cord trampoline and lighted tennis court. The Explorer's Kids Club is available for children, ages 3 to 12, offering a variety of entertainment and activities. Dining options range between open-air beachside palapa settings to fine-dining venues. Menus offer abundant choices, from contemporary adaptations of regional Mexican cuisine to Pan-Asian cooking. Bars include Desires Music Lounge, a sports bar, and Rendez-Vous Bar, where live music is performed on selected evenings.

**Guestrooms:** Rooms and suites offer ocean, dolphin, or lagoon-view balconies or patios. Decor includes cream-and-tan marble floors and white bedding with tropical-weight comforters. Alarm clocks with MP3 players with docking stations and satellite television are provided. Wired (high speed) Internet access is complimentary. Minibars are stocked daily with bottled water and other beverages.

- **Tours**

**XPLOR - Adventure Park**

At Xplor, you can find an incredible underground scenery inside which you will discover rock formations sculpted by mother-nature millions of years ago. There you can marvel

at the underground rivers filled with majestic stalactites and stalagmites.

The park offers 4 different activities: zip lines, amphibious vehicles, rafts and swimming inside underground rivers all of which are related to nature and adventure. These activities are held outdoors and are a standing proof of adrenaline-filled adventure in a natural environment.

You can enjoy limitless consumption of drinks, juices as well as an energy boosting buffet, at will.

## **Isla Mujeres**

Isla Mujeres offers water activities for all ages. Beautiful white sand beaches where you can rent water toys, kayaks and snorkeling gear. Diving and snorkeling in the crystal clear turquoise waters. Sailing, fishing, swimming with Dolphins and Sharks and exploring the spectacular underwater sculpture museum by the artist Jason de Caires Taylor. Find out more about the largest underwater museum in the world. Explore the wonders of the Mexican Caribbean.

- **Arrival and Departure**
